

## Thanks for requesting more information about Celebrate Art 2007.

You're about to discover the most comprehensive, user-friendly and age-flexible art resource available. Supporting the **NSW Visual Arts Syllabus** (up to year 10), Celebrate Art will inspire students in making and appreciating artworks while they learn about how artists frame and develop their ideas.

Students immerse themselves in a journey of discovery as they develop a life-long interest in visual arts. Teachers love the easy to use, flexible lesson plans that turn art lessons into a truly inspiring experience.

*"Your resource is such that even teachers who are a little apprehensive about doing visual art are immediately enthralled & motivated by the user-friendly layout."*

**Henry Hill School**

## So What's Celebrate Art all About?

Celebrate Art was developed in 2003 to meet the demand of schools throughout Australia and New Zealand in need of a comprehensive, user-friendly art resource, and has since been enthusiastically endorsed by principals, staff, and the Education Review Office.

Upon subscribing to Celebrate Art for 2007, you'll receive **3 separate packs - one in each of the first 3 terms**. Each pack arrives in the first week of the term and is conveniently enclosed in a sturdy PVC envelope for easy storage.

*"Love your resources, they are brilliant. They're very detailed, thoughtful, good ideas, good research and plans."*

**Greenhithe School**

*"Well Done! This is an excellent resource that has been needed in schools for a very long time"*

**Corran School**

*Excellent - meets curriculum needs and great lesson plans!*

**Leithfield School**

## What You'll Get in Each Pack

1. **7 A3 full-colour glossy posters** profiling contemporary Australian artworks.

Each pack offers a different theme. The 2007 themes are:

- ▶ **Term 1: Food**
- ▶ **Term 2: Identity & Belonging**
- ▶ **Term 3: People**

The back of each poster contains comprehensive information about the artist and his/her work. The posters can be easily photocopied for distribution to students:

### **Artists profiled in the 2007 subscription include:**

Imants Tillars, Zai Kung,  
Judy Napangadi Watson,  
Michael Smither, Zhong Chen,  
Murray Bird, Damius Kesminus  
& many others!

- 2. A user friendly CD** containing a **PowerPoint presentation** plus additional pictures of the artists' works, creating more scope for diverse, interactive lesson plans.
- 3. 4 age-flexible lesson plans** which demonstrate to students how to create their own theme-based artwork using a variety of media.
- 4. Additional ideas for discussion and art-making** to encourage students to respond to the works through both language and art.
- 5. 'How to Draw' card sets** that give step-by-step drawing instructions to guide students through the drawing process while developing their confidence and ability.
- 6. Links throughout to the Australian Arts Syllabus**
